BUYBACKS

NEW PROCEDURE!!!

Money for buybacks will now be collected in the staging lanes. Jodee will be in the lanes waiting for you, so be sure to come to the lanes when called.

EXTENDED TECH INSPECTIONS have begun. We will have the forms at Registration and at Tech. Anyone at Tech can do an extended tech. Once your vehicle has passed extended tech, you will be issued an Extended Tech ID Card. You will then show this ID card at the gate and not have to go to tech. There will be spot checks throughout the season. We want to be very thorough since this is a season tech. Thank you for your cooperation.

Anyone racing faster than 9.99 in the quarter mile must have an NHRA license. NHRA will now accept IHRA licenses as a crossover. All we need:

1. Copy of IHRA license
2. 2 ET slips from 2007 as good representative passes
3. Signature of current NHRA licensed driver
4. Signature of track manager.

You need to get this completed ASAP.

Racers 10 seconds and slower should also get a competition number and membership. The membership gets you the accident insurance and subscription to National Dragster plus other fun things. The license gets you a bracket number that you will need if you qualify for the bracket finals.
